1. The Company agrees to breed the thoroughbred broodmare \_\_\_\_\_ to the stallion \_\_\_\_\_ and the Owner agrees to pay a usage fee of \$ \_\_\_\_\_ (10% of Service Fee) before the Service and upon the mare being tested in-foal upon a 45 day positive pregnancy test a further \$ \_\_\_\_\_ shall become due and payable.
2. For mares returning on a Live Foal Guarantee or shareholders nomination a usage fee of \$250 (+10% GST) applies.
3. The Owner warrants that the details on the above named broodmare contained in the Service Application form(over page) are true and correct and that the broodmare shall be healthy and in sound breeding condition, this fact to be certified by a qualified veterinarian before the mare is served. The Studmaster may at his absolute discretion, refuse to allow the stallion to serve the mare if he feels this could be in any way detrimental to the stallion's health or welfare.
4. It is further agreed that should the stallion \_\_\_\_\_ be unavailable for any reason whatsoever before service of the said mare or if the said mare named in this contract dies or becomes unfit to be served, then this contract shall be rendered null and void and the usage fee of \$ \_\_\_\_\_ will be returned to the Owner.
5. The Owner agrees to pay all charges applicable to the broodmare and/or progeny for, but not limited to, agistment fees, all treatments, examinations, swabs and medicines administered whether by the Stud Veterinarian, employees of the company or others, and other costs incurred by the company during the broodmare's and/or any progeny's stay at Wattle Brae Stud. Interest at the current commercial rate shall be charged on any service fee or agistment account not paid within thirty(30)days after an account has been rendered.
6. Veterinary services for the Mare/Foal will be conducted at the discretion of the Studmaster in consultation with the Stud's Veterinarian. Veterinary procedures shall be separately invoiced and are payable by the Owner.
7. It is an express condition of this Agreement that the Company shall have a lien over the mare and/or any progeny in respect of any unpaid fees or charges and further that the Company shall have the power to sell the mare and/or any progeny to recover such unpaid fees or charges should the same not be paid within thirty (30) days after an account has been rendered and in this respect the Owner hereby appoints the Company as the Owner's Attorney with the power to sell the mare and/or any progeny if such fees or charges are unpaid as aforesaid and to execute all necessary documents to achieve that end.
8. The Broodmare and/or progeny shall be under the care of the Company and/or the Stud Veterinarian whilst at the Stud and may receive such treatments and examinations as they shall in their absolute discretion prescribe. The Company and/or Stud Veterinarian shall give all care and attention to the broodmare and/or any progeny but shall not be liable to any loss damage or claims of whatsoever nature howsoever arising from disease, accident, injury or death caused to or sustained by the abovementioned broodmare and/or any progeny whilst under the Company's care or the control of its servants or agents.
9. The Broodmare and/or any progeny shall be deemed to have been delivered to the Owner upon leaving Wattle Brae Stud. Insurance of the broodmare and/or progeny shall be the sole responsibility of the Owner at all time.
10. This contract shall not be assigned or transferred by the Owner and in the event that the said mare is sold the Service Fee, if applicable, shall immediately become due and payable by the undersigned Owner.
11. Upon arrival at the Stud the mare must be accompanied by her Document of Description and current drench and vaccination dates. If not, the Owner agrees that the Company has the right to administer any vaccinations and/or drenches it deems necessary. Upon foaling, the Owner shall be responsible for preparing and forwarding the appropriate Mare Return to the Keeper of the Stud Book.
12. If the Mare is sold or transferred, the live foal guarantee ceases.
13. All mares, except Maiden mares, must carry a negative clitoral swab result prior to service.
